ADM-6

MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT : CIA Participation in Interdepartmental
Country Team Seminar

REFERENCE : DD/P Memorandum dated 23 April 1963,
subject as above

1. I have reviewed your memorandum together with the record of our participation in the Interdepartmental Country Team Seminars. While I understand your concern about the requirement to produce officers of appropriate level for these seminars, the Agency has an obligation to insure that this program be fully supported.

2. I therefore desire that the Agency continue to fill its quota of eight students from the appropriate level of officer personnel. You are authorized to recall on TDY officers from foreign assignments to attend this course, as well as to allocate to other components of the Agency a portion of your quota, not to exceed 50 per cent, on the same criteria of personnel qualifications established for the DD/P.
